President's Message

— by Bob Schaefer

It is with much pleasure that the officers of the Guild are pleased to announce that Jack Martin, the previous Guild president will henceforth be designated as an **HONORARY LIFETIME MEMBER** with all of the benefits which accompany that appointment.

This recognizes the many years of devoted and faithful service Jack has given to the Guild with his leadership and capability in guiding the Guild to its present robust status. As the current president I have acquired some insight into the significance and challenges involved. Jack, a thousand thanks from the Guild and heartiest congratulations.

The March 29 meeting was, I am informed, an interesting one and as I understand it enjoyed by those who attended. The subject was Mirka abrasives and the speaker was Don Nelson, a representative of the company. His talk was well received, as were the samples.

There were several show and tell items presented to the group. Steve Krauss, our newsletter editor and photographer extraordinaire took pictures of the items which may be seen in another part of the newsletter.

The next meeting will be Thursday, April 26, 2012, 6:30 PM at Ed Moore's place. The program will feature a mega show and tell, and a mega raffle. If any members has some item he or she wishes to sell, that will also be welcome and acceptable. You are all encouraged to bring show and tell items of any size or vintage in order to ensure a successful and enjoyable meeting. I call your attention to the fact that this event is a meeting and NOT the annual picnic. I look forward to seeing you all on the 26th.

A forum for woodworkers of all skill levels to share their common interests
