## President's Message

— by Bob Schaefer

Due to the fact that I arrived very late at the meeting at Seattle Stair, I was relieved and delighted that Rick Tydings got the meeting underway and his comments and observations can be found in a separate part of the bulletin. I certainly enjoyed the portion of the meeting that I was still fortunate enough to attend. Seattle Stair has a great shop and the quality and complexity of their output is truly amazing. Thank you Rick for stepping in when the need arose. Many thanks to Shaun Christman, David Schuler and Andre for a truly memorable evening. The only item of business I conducted was the announcement concerning the July meeting which is detailed elsewhere in this issue.

The next meeting of the Guild will be Thursday, July 29 at Ed Moore's residence, starting at approximately 4:30 in the afternoon.

This meeting will be our annual picnic. The principal item of business will be a demonstration by Herb Stoops on the construction of Queen Ann style lowboy. I look forward to that. Those of you who have been to the previous picnics at Ed's know what a great affair it will be with lots of wonderful food and good fellowship. We all hope for good weather. Salads and desserts are welcome.

Please contact Ed Moore for further details. Ed's e-mail is [ed\\_marly@msn.com](mailto:ed_marly@msn.com) (best way) If that fails Ed's home phone is 253-854-5781 and his cell is 206-714-4336. In the words of Seattle Opera general director Speight Jenkins, "It's gonna be a great show-- don't miss it!" I look forward to seeing you all at that meeting.

## July Meeting and Annual Picnic:

For the July presentation, Herb Stoops looks forward to Showing and Telling the adventures of building a Queen Anne "Lowboy", the picture of which was on the June 2010 Popular Woodworking Magazine. Herb will say that his came out similar, but not exactly the same (where did that fourth leg go?). Also, he will show some pictures of other projects that he has done this past year and talk a little bit about them. There are also some shop tips that Herb incorporated into his shop that might be of interest as well.
